

## Charity Statement

At Cranford Park Academy, we pride ourselves on holding many events to support a variety of charities; this is because we as a community care deeply about others and want to support those less fortunate or going through a time where they need help.

Our staff, children and families give their time energy and voice to improve other people's lives. They rise to the challenge to take action on issues they really care about and that affects our community.

We are proud to report that during an average school year currently we raise over £10,000 for worthwhile causes. We have a committed school council made up of children from key stage 2 who show compassion, kindness, curiosity and open-mindedness. They are developing character strength, great values and go that extra mile to change the world for the better.

The following charities are an example of a range of charities which have benefited from the generosity of pupils, parents and friends who have supported recently:

- Action Aid – Global Park 60
- Macmillan Cancer Support
- Sports Relief
- ICP Support
- The Poppy Appeal
- Shelter
- Red Nose Day
- World Wildlife Fund
- Children in Need
- Save the Children
- Water Aid
- Support for Australian bushfires

Local area charities:

- Harlington Hospice
- Hillingdon Hospital
- The Salvation Army
- New Horizons
