

**The Park Federation Academy Trust  
Cranford Park Academy**

**The CPA Ethos**

## Introduction

The CPA Ethos outlines the culture, vision and values that we expect every member of our academy community to aspire to and uphold at all times – children, staff and families. Everything we do is in the spirit of The CPA Ethos – learning, attitudes and behaviour. By following the high expectations defined by The CPA Ethos, everyone will have the best possible opportunity to achieve their best and develop their talents and skills.

## What is the CPA Ethos?

### Our Vision

- We have the highest expectations of every child and of each other;
- We will help every child to achieve high standards in their learning;
- Everybody is welcomed, respected and valued;
- We celebrate our similarities and our differences;
- Our children will be safe, happy and successful;
- Everybody will discover their individual talents and skills.

### Our Learning

- Our teachers will plan a broad and exciting curriculum, with English and Maths at its heart;
- Every child will be supported and challenged;
- Independence, self-confidence and self-belief will be encouraged;
- We will support the learning of our families.

### Our Attitudes and Behaviour

- Everybody is expected to uphold The CPA Ethos:
- Good attendance will be a top priority;

The behaviour we expect at CPA is based around five core qualities (CPA STARS), which we expect our children and staff to demonstrate. We want everyone to be:

Self-Confident

Trustworthy

Ambitious

Respectful & Responsible

Supportive

- ✓ We will be **responsible** by making positive choices. We will lead by example.
- ✓ We will be **ambitious**, trying our very best to achieve well and be successful.
- ✓ We will **support** others helping them to achieve their goals. We can achieve anything if we work as a team.
- ✓ We will believe in ourselves (**be self confident**) and believe in others, achieving our very best.
- ✓ We will **not give up** and learn from our own mistakes, always working hard to succeed.
- ✓ We will be **kind** in words and actions. Our school is a place of happiness and equality.
- ✓ We will be **trustworthy**, telling the truth at all times.
- ✓ We will share our thoughts and **respect** and **listen** to the thoughts of others. Everyone has a right to be heard.
- ✓ We will strive to be **the best that we can be**, now and in the future.

- Through the use of our agreed system we achieve consistency; every member of our community has a clear understanding of the high expectations we have for attitudes and behaviour.
- The core values are regularly shared during assemblies and in class discussion, and are displayed around the academy and in every classroom. CPA STARS certificate assemblies are held once a term to reward those most demonstrating the CPA STARS ethos.
- Alongside CPA STARS, which runs throughout the school, a house system operates in Key Stage 2. All children belong to a house, Nightingale, Seacole, Gandhi or Luther King. Children accrue house points for good work and behaviour. House points are collected weekly and announced in SLT assembly. At the end of term the children from the winning house are rewarded. House Captains in Year 6 and Vice House Captains in Year 5 are selected to represent their house and have key responsibilities around school.

### **Personal, Social and Emotional Development**

- We place a strong emphasis on enabling pupils to develop their self-knowledge, self-esteem and self-confidence in an inclusive environment.
- Our personal, social and emotional development programme is built around the Royal Society for Arts: Opening Minds framework.
- The framework is built around five key competences:
  1. Citizenship
  2. Learning
  3. Managing Information
  4. Relating to people
  5. Managing Situations
- The competences will be taught throughout a child's time at CPA, with each skill building year-by-year at an age-appropriate level.

### **How is the CPA Ethos celebrated?**

- Through termly certificate assemblies with CPA STARS awards for two children in each class who are best demonstrating the qualities expected.
- Through class points where each class teacher rewards the class for upholding the CPA STARS behaviour code. A target is set and rewarded in class.
- Termly attendance certificates rewarding 100% attendance reflect the Responsible and Ambitious aspects of the CPA STARS ethos.
- Termly rewards for the House with the most points in KS2.

# CPA STARS
