

## Useful Websites to use in Year 1 Number

- <http://mathisvisual.com/adding-subtracting/> - Bar Model supports for word problems
- <https://mathforlove.com/lesson/unit-chats/> - Wonderful use of visual image to discuss Mathematics (fully supported with effective questioning). Would Ideally suit EY-KS1.
- <http://www.stevewyborne.com/?p=1483> – Estimation Clip Board is a fantastic range of photos to estimate from. Questions are given. Works brilliantly in EY-Early KS2.
- <https://bstockus.wordpress.com/numberless-word-problems/> - Numberless word problems
- <https://garyhall.org.uk/primary-maths-resources.php>
- <https://mathvisuals.wordpress.com/> - An amazing ongoing development of Maths Visuals.
- <https://www.stevewyborne.com/?p=893> – Wonderful resource for empty number box reasoning.
- <http://www.cimt.org.uk/projects/mepres/primary/index.htm#year1> – Helpful resources to support variation in number at Year 1 and beyond.
