Viking Longships Comprehension

Answer these questions in full sentences with capital letters and full stops.

Don't forget - The spellings that you might need could either be in the question or within the text.

1. What features of the longship made it travel fast?

2. What was another name for a longship?

3. What two sources of power were used to make the ship move?

4. What would the Vikings do if there was no wind?

5. How were the longships steered?

6. What were the men's shields used for on the longships?

7. What was on the front of the longship and what was it used for?

8. Why was the speed of the longship important for the Vikings?
