Viking Longships Comprehension

Answer these questions in full sentences with capital letters and full stops.

Don't forget - The spellings that you might need could either be in the question or within the text.

1. What is another name for a Viking longship?

2. Give two sources of power used to make the longship move:

- _____
- _____

3. Why were they designed to be long and narrow?

4. How many people could fit in a longship?

5. How was a longship steered?

6. How would you compare Viking longships with a modern day ferry?

7. What question would you most like to ask if you could interview a Viking from the past about a longship?
