Dear Parent/Guardian,

Home - School Agreements

All schools are required to have a written statement setting out the aims, values and responsibilities of the school and the responsibilities of parents and children. The statement is entitled the “Home - School Agreement”.

Please read it through with your children. It is vitally important they are aware of the promises being made. If you support the views in the document, please sign it and ask your children to sign their section. If your child is too young to write his or her name please put the name in yourself and then return the agreement to the School Office. I will then sign and return it to you and also keep a copy in your child’s file for our records.

Please talk to your child about the Agreement as your support and encouragement is very important if your child is to make the most of school life.

Yours sincerely
