THANK YOU FOR SUPPORTING UNICEF UK

Dear Mrs Taylor

Thank you so much for the generous donation of £327.03 that your school has raised for Unicef's vital work protecting children in Nepal. Please accept this letter as a receipt of your donation and pass on our thanks to all who contributed to this wonderful gift.

Your school is helping us protect more children in danger in Nepal

Unicef is on the ground right now in Nepal, working to meet the needs of 1.7 million children. We have over 200 staff working in Kathmandu. With children accounting for half the country's population, we fear loss of life and great disruption to children's lives, as homes and schools are destroyed.

We are working with the Government of Nepal and other partners to provide safe water and sanitation, life-saving food and health supplies, as well as protection of children in danger.

You've made a difference

Unicef relies entirely on voluntary donations to support our vital work for children. We don't receive any money from the UN budget so your fundraising efforts are invaluable. In meeting the challenges that lie ahead, your continued support enables us to reach the children who need us most.

If you would like to find out more about Unicef's work, you can visit our website at www.unicef.org.uk or contact us by emailing helpdesk@unicef.org.uk or calling 0300 330 5580.

On behalf of the children, and all of us at Unicef UK, thank you so much for your school's valuable contribution.

With best wishes,

Katie Cox
Public Fundraising Officer

P.S. Did you know that just **£11** could provide a family with an emergency water kit to ensure they have access to clean, safe water?
