Dear Miss Sarah Evans,

Just a quick note to say: we think you're brilliant.

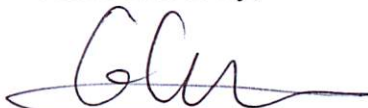

Thank you so much for your gift of £482.86 the money you've raised will make a real difference. With your school's support, we are able to help millions of people each year who come to us for expert advice.

It's shocking that every 11 minutes a family loses their home in Britain and over 112,000 children are currently homeless. But we're determined to help more people and with your school's gift we will be able to. Without such gifts, these children could have their health, education and prospects in life damaged.

Last year our helpline advisers answered over 100,000 calls and 4.5 million people got advice from our website. Our goal is to help more people in housing need than ever before. Whether it is finding emergency accommodation, working with families until they're safely back in a settled home, helping a homeless person find a bed for the night, or fighting for the rights of the homeless or badly housed, you are making it possible for us to help those hardest-hit in our country find and keep their homes.

Once again, thank you so much for supporting Shelter.

Yours sincerely,

Galan Campos
