

Cranford Park Academy - PE and Sports Grant statement

How do we plan to use the PE and Sports Premium in 2018-2019?

We expect to receive funding of approximately £25,000 during the academic year. We plan to spend it as detailed below:

Provision	Planned Expenditure	Desired Impact	How will we measure the impact?
<p>Swimming in Year 4 for all 4 classes (120 children). This is in addition to statutory PE lessons in Year 4 and swimming in Year 5.</p> <p>Each class will receive 10 half hour lessons from qualified swimming instructors during the year.</p> <p>To continue with swimming time trials for selecting the school team and a team practice prior to the gala.</p>	<p>£9000</p> <p>This includes pool hire, swimming instructors and transport to and from the pool.</p>	<p>To promote swimming as a vital life skill with more children enjoying and being able to swim 10 metres by the time they leave Primary School.</p> <p>More confident swimmers going into year 5 and more children encouraged to join swimming clubs or go swimming outside of school.</p> <p>A better range of swimmers to select the school team from for the annual gala. Improved confidence, organisation and results at the gala.</p>	<p>Feedback from children and parents in Year 4 and of those involved with the team and gala.</p> <p>Assessment certificates from the swimming coaches.</p> <p>Feedback from the Year 5 teachers with regard to the standard of swimming at the start of Year 5.</p> <p>Number of children being selected for the gala trials. Times and results from the gala (3rd in gala 2018)</p>
<p>2 x curriculum basketball lessons and 1 x after school club per week for 10 weeks with a basketball specialist for all Year 3 classes (120 children).</p>	<p>£1000</p>	<p>To work alongside teachers to improve their confidence and knowledge in delivering basketball.</p> <p>Increased participation and enjoyment from the children through the lessons and club.</p> <p>Improved links with local clubs (The coach is from Brunel).</p> <p>Opportunity for the school to enter the borough basketball tournament.</p>	<p>Pupil and teacher feedback and surveys.</p> <p>Ability to be able to continue to enter two teams in the borough tournament.</p> <p>Number of children attending the after school club.</p> <p>Amount of basketball being played at playtimes.</p>
<p>2 x curriculum cricket lessons and 1 x after school club per week for 12 weeks with a cricket specialist for all Year 4 classes (120 children).</p>	<p>£1000</p>	<p>To work alongside teachers to improve their confidence and knowledge in delivering cricket.</p> <p>To sustain the high profile of cricket in the school and borough.</p> <p>Increased participation and enjoyment from the children through the lessons and club.</p> <p>Improved links with local clubs (The coach is from Uxbridge CC).</p> <p>Opportunity for the school to enter all available cricket tournaments.</p>	<p>Pupil and teacher feedback and surveys.</p> <p>Ability to be able to enter boys' and girls' teams in the tournaments.</p> <p>Number of children attending the after school club.</p> <p>Amount of cricket being played at playtimes.</p>

To continue with 'Mini Squash' in Year 6 in partnership with Middlesex Squash. 6 lessons for all Year 6 classes. Teachers will work alongside a qualified squash coach. The last session will be a visit to Uxbridge Squash Club.	£2000	To introduce children to a sport that they might not otherwise be exposed to or have the opportunity to try. To develop a new links and pathways with local clubs (Uxbridge Squash Club). If successful, there is the potential for inter-school matches with WEPA for e.g	Feedback from staff and children. Number of children that join a squash club as a result.
MD with RH supporting to deliver an after netball school club throughout the year. RW to add extra sessions on Wednesdays.	£1300	To sustain the profile of girls' netball in the school and borough. To enable girls from Years 4-6 the opportunity to take part in regular practice and represent the school in matches and tournaments. To encourage children to continue netball after Primary School.	The number of girls attending the netball club. The success of the team in the yearly tournaments and competitions. Feedback from children through surveys and match reports.
Table Tennis Club with RW from Sept'18 before school (8am-8:45am)	£900	To increase the profile of Table tennis with the aim of entering the borough tournament and increasing use of the outdoor table in the playground.	Number of children attending. Ability to enter the borough table tennis Competition. Uptake in the playground.
'Get CPA Fit' is 1 weekly session of 30 minutes for all ages and abilities of children (and parents) to take part in group fitness and exercise sessions from 8:15am-8:45am. Sessions run by Rob , our sports coach.	£900	To help improve the general fitness, stamina and resilience of children across the school. To help promote healthy eating and lifestyles. Maintain and improve good links with parents.	Attendance register and a reward system. Initial questionnaires and follow ups after sessions. Feedback from children, parents and Rob
Girls' Football Club	£300	To encourage more girls to play football and enable the school to enter a team in the Hayes and Harlington tournament, the borough tournament and the inaugural Girls' Federation Tournament.	The number of girls attending the football club. The success of the team in the tournaments. Feedback from children through surveys and match reports.
Training for Intra School sports events. 5hrs p/week x 30 weeks	£3000	Our teams to be more successful due to more match preparation with the team in the lead up to an event.	Confidence levels of children at an event. How well we do at events and how well prepared the children feel and look.
Transport	£3800	To enable us to enter as many sports events as we can which helps raise the profile and reputation of the school. To give children the opportunity to represent their school with a sense of pride.	Number of sports events the school takes part in.
Outdoor gym equipment in the playground.	£5500	Increase the range of activities at play and lunchtime. Encourage children to be more	How often it is used by the children during play and

		active. Can be used in PE lessons and Get CPA Fit sessions.	lunch. Do teachers find it useful for PE lessons?
Football Club. SM	£300	Enable us to enter the leagues and compete in the Federation Tournament.	Number of children at trials. Success of team.
Playground equipment.	£500	Children have the resources to use the new playground markings. Tennis rackets, balls and nets for the mini tennis courts and basketballs for the basketball court.	SMSA feedback. Feedback from children. Monitoring the use of the new equipment.
Girls' Cricket Club. PP.	£300	Enable us to have a competitive girls cricket team to enter the borough and Federation tournaments.	Number attending and interest in the club. How well they do at the tournaments. Their enthusiasm and progress for cricket.

Impact of the PE and Sports Premium in 2017/18

Provision	Impact
Swimming in Year 4	Children entering swimming in Year 5 at a much higher level. 40% increase in the number of children in the middle and higher groups. Far fewer non swimmers and more children in the top group. Positive feedback from teachers and swimming coaches at Botwell. Faster times from more children (28) at our swimming trials and practice. Our 'A' team came 3 rd and our 'B' team '5 th ' at the Hayes & Harlington Swimming Gala.
Specialist Basketball Coach	Staff confidence in teaching basketball increased as a result of opportunities to observe specialist teaching and teach alongside the coach. After school club very popular (60 children were able to participate over the year) which enabled us to enter 2 teams at the borough basketball tournament.
Specialist Cricket Coach	Staff confidence in the teaching of cricket increased as a result of opportunities to observe specialist teaching and teach alongside the coach. 120 children across Year 4 were taught by the specialist coach. After school club was full. Demand was higher than places available. 20 places available, 30 replies.
Playground Markings	Very positive feedback from staff (organisation for PE lessons is much easier) and children. RW uses them a lot for PE and sports team training. We will look at adding

	more after the playground has been resurfaced.
Specialist Netball Coach	Netball club is well attended (15 girls) and has enabled us to play successfully in the pre-league friendlies, the netball league and Federation tournament.
'Get CPA Fit'	The sessions have been consistently popular with good numbers. Each session (Tues & Thurs) has on average 20 attending with 2-4 of those being parents. All in all 40+ are attending each week. Feedback from children and parents who attend is positive.
Mini Squash	Very positively received from teachers and children in Year 6. 1 girl has gone on to join and play at Uxbridge Squash Club as a result.
Training for inter school events	This has had a really positive impact on the readiness and confidence of the children attending sports events. They are better prepared and more knowledgeable going to the events.
Girls' Football Club	Really popular with the girls and even those who are less active. It has enabled us to enter the girls' football tournaments and helped to promote girls sport.
Transport	Without HCT we couldn't enter all the inter school and federation sports events that we do. It is the only viable way of getting children to events.
Playground Equipment	Far more for the children to use at play and lunch so the new markings could actually be used.
